Army Engineer Memorial Awards Geraldine K. Morris Award

The Army Engineer Spouses' Club announces the Army Engineer Memorial Awards (AEMA) and the Geraldine K. Morris Award for 2022-2023 academic year. The AEMA is available to qualifying high school seniors or a graduate within one year of graduation to include GED*. The Geraldine K. Morris Award is available to a graduating high school senior who intends to enroll in a program leading to a nursing degree or certification. Applicants may apply for both awards, if qualified, but can only be awarded one of the awards.

The AEMA award was established in 1973 as a living memorial to Army Engineer officers killed in Vietnam and is given annually to honor all Engineers who died in the line of duty. Now, this award is open to all students in all fields of study.

The Geraldine K. Morris Award was established in 2006 to honor the service and memory of Mrs. Morris, a former Army nurse and Army wife. The awardee must be enrolled in a program leading to a nursing degree or nursing certification. The Geraldine K. Morris Award is renewable annually, based on GPA, provided a student maintains full-time enrollment in a nursing program.

Both awards are based on academic and extracurricular achievement during high school, along with a written essay. Applications must be postmarked by February 28, 2023.
